INDEPENDENT AUDITOR'S REPORT

To the Members of MICROSEC WEALTH MANAGEMENT LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of **MICROSEC WEALTH MANAGEMENTLIMITED** ("the Company"), which comprise the Balance sheet as at March 31, 2024, the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, its profit including other comprehensive income its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the FinancialStatements'section of our report. We are independent of the Company in accordance with the 'Code of Ethics'issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Other Information

The Company's management and Board of Directors are responsible for the other information. The otherinformation comprises the information included in the Company's Annual Report, but does not include the financial statements and our auditor's reportthereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with [the Companies (Indian Accounting Standards) Rules, 2015, as amended]. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of thesefinancial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement
 resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery,
 intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

- 1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
- 2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books; except for the matters stated in the paragraph 2(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014;
 - (c) The Balance Sheet, the Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors as on March 31, 2024 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act;

- (f) The modifications relating to the maintenance of accounts and other matters connected therewith are as stated in the paragraph 2(b) above on reporting under Section 143(3)(b) of the Act and paragraph 2(i)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report.
- (h) In our opinion, the managerial remuneration for the year ended March 31, 2024 has been paid / provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company does not have any pending litigations which would impact its financial position.
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - iv. A) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - B) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - C) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that have caused us to believe that the representations under sub-clause (A) and (B) contain any material mis-statement.
 - v. No dividend has been declared or paid during the year by the company. Hence, it is in compliance with section 123 of the Companies Act, 2013.

vi. Based on our examination which included test checks, the company has used an accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility except that the audit trail feature of the accounting software used by the company did not operate effectively throughout the year for all relevant transactions recorded in the accounting software prior to April 13, 2023. Further, during thecourse of our audit we did not come across any instance of audittrail feature being tampered with. As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 1, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31,2024.

Annexure A referred to in paragraph 1 of our report of even date on the other legal and regulatory requirements (MICROSEC WEALTH MANAGEMENT LIMITED)

- (i) a. (A)The company is maintaining proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (B) The Company has not capitalized any intangible assets in the books of the Company and accordingly, the requirement to report on clause 3(i)(a)(B) of the Order is not applicable to the Company.
 - b. All property, plant and equipment are physically verified by the management at regular intervals in accordance with a planned programme of verifying them once in three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
 - c. According to the information and explanations given by the management, there are no immovable properties, included in property, plant and equipment of the company and accordingly, the requirements under paragraph 3(i)(c) of the Order are not applicable to the Company.
 - d. The Company has not revalued its Property, Plant and Equipment during the year ended March 31, 2024.
 - e. There are no proceedings initiated or are pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii) a) The Company's business does not involve inventories and, accordingly, the requirements under paragraph 3(ii) of the Order are not applicable to the Company.
 - b) The Company has not been sanctioned with working capital limits in excess of Rs. five crores in aggregate from banks or financial institutions during any point of time of the year on the basis of security of current assets. Accordingly, the requirement to report on clause 3(ii)(b) of the Order is not applicable to the Company. The Company has not granted loans and advances in the nature of loans to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(c) to 3(iii)(e) of the Order is not applicable to the Company.
- (iii) a) During the year the Company has not provided loans, advances in the nature of loans, stood guarantee or provided security to companies, firms, Limited Liability Partnerships or any other parties. Accordingly, the requirement to report on clause 3(iii)(a) and 3(iii)(c) to 3(iii)(f) of the Order is not applicable to the Company.
 - b) During the year the investments made are not prejudicial to the Company's interest.
- (iv) The Company has no transaction with respect to loan, investment; guarantee and security covered under section 185 and 186 of the Companies Act, 2013. Therefore, the provisions of clause 3(iv) of the Order are not applicable.
- (v) The Company has not accepted any deposit covered under sections 73 to 76 of the Companies Act, 2013 and the Companies (Acceptance of Deposits) Rules, 2014 (as amended) during the year. Therefore, provisions of clause 3(v) of the Order are not applicable to the Company.
- (vi) The maintenance of cost records has not been prescribed by the Central Government under section 148 (1) of the Act read with companies (Cost Records and Audit) Rules, 2014, as amended for the goods/product manufactured by the Company.

- (vii) a. According to the records of the Company, the Company is generally regular in depositing undisputed statutory duesincludingincome-tax, goods and service tax, sales tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues with the appropriate authorities. There was no undisputed outstanding statutory dues as at the yearend for a period of more than six months from the date they became payable.
 - b. According to the records of the Company, there are no dues outstanding of income tax, sales tax, service tax, duty of customs, duty of excise,goods and service tax and value added tax on account of any dispute.
- (viii) The Company has not surrendered or disclosed any transaction, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year. Accordingly, the requirement to report on clause 3(viii) of the Order is not applicable to the Company.
 - (ix) a. According to the information and explanations given to us and as per the books and records examined by us, in our opinion, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
 - b. According to the information and explanations given to us and the records of the Company examined by us, the Company has not been declared willful defaulter by any bank or financial institution or government or any government authority or any lender.
 - c. In our opinion and according to the information and explanations given by the management, the company had not availed any term loan hence reporting under the clause is not applicable to the company.
 - d. On an overall examination of the financial statements of the Company, the company has not taken any borrowing hence reporting under this clause is not applicable.
 - e. The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on clause 3(ix)(e) of the Order is not applicable to the Company.
 - f. The Company does not have any subsidiary, associate or joint venture. Accordingly, the requirement to report on Clause 3(ix)(f) of the Order is not applicable to the Company.
- (x) (a) During the year, the Company did not raise any money by way of initial public offer or further public offer (including debt instruments).
 - (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partially or optionally) during the year under audit and hence, the requirement to report on clause 3(x)(b) of the Order is not applicable to the Company.
- (xi) (a) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the Company or no material fraud on the Company has been noticed or reported during the year.
 - (b) During the year, no report under sub-section (12) of section 143 of the Companies Act, 2013 has been filed by [cost auditor/ secretarial auditor or by us] in Form ADT 4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.

Singhi & Co. Chartered Accountants

- (xii) The Company is not a nidhi company as per the provisions of the Companies Act, 2013. Therefore, the requirement to report on this clause 3(xii) of the Order is not applicable to the Company.
- (xiii) According to the information and explanations given to us, transactions with the related parties are in compliance with section 177 and 188 of the Companies Act, 2013 wherever applicable and details for the same have been disclosed in the financial statements as required by the applicable Indian accounting standards.
- (xiv) The Company does not have an internal audit system and is not required to have an internal audit system under the provisions of Section 138 of the Companies Act, 2013. Therefore, the requirement to report under clause 3(xiv) of the Order is not applicable to the Company.
- (xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with directors. Therefore, the provisions of clause 3(xv) of the Order are not applicable.
- (xvi) (a) The provisions of section 45-IA of the Reserve Bank of India Act, 1934 (2 of 1934) is not applicable to the Company based on the last audited financial statements pursuant to RBI press release dated 8th April, 1999. Accordingly, the requirement to report on clause (xvi)(a) of the Order is not applicable to the Company.
 - (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without obtaining a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
 - (c) The Company is not a Core Investment Company as defined in the regulations made by Reserve Bank of India. Accordingly, the requirement to report on clause 3(xvi)(c) of the Order is not applicable to the Company.
 - (d) According to the information and explanations given to us, the Group does not have more than one Core Investment Company as part of the Group.
- (xvii) According to the information and explanations provided to us, the company had not incurred cash losses in the current financial year and had incurred cash losses amounting to 28.24 Lakhs in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly requirement to report on Clause 3(xviii) of the Order is not applicable to the Company.
- (xix) On the basis of the financial ratios disclosed in note 30 to the financial statements, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

Chartered Accountants

.....contd.

The company is not required to do any CSR expenditure as per Section 135 of The Companies Act, 2013. (xx)Therefore, the requirement to report on clause 3(xx) of the Order is not applicable to the Company.

ANNEXURE B

Report on the Internal Financial controls under Clause (i) of Sub - section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of **MICROSEC WEALTH MANAGEMENT LIMITED** ('the Company") as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over the financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "guidance Note") and the standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial controls with reference to financial statements

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal; financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorization of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with reference to financial statements

Because of the inherent limitations of Internal Financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls with reference to financial statements issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements as at and for the year ended March 31, 2024

1. Corporate Information

Microsec Wealth Management Limited (the "Company" or "MWML") is a public company domiciled in India. The registered office of the company is located at Microsec Block, Azimganj House, 2nd Floor, 7 Abanindra Nath Thakur Sarani (formerly Camac Street), Kolkata - 700 017.

At present, the Company is focusing largely on the business of portfolio management services and consultancy services. The Company is registered as a Portfolio Manager from SEBI and PMS registration no. is INPO00006086 dated 23rd July, 2018.

2.1 Statement of Compliance

The company has adhered to all accounting policies in the preparation of these financial statements, ensuring compliance with the Indian Accounting Standards (Ind AS) as prescribed by the Ministry of Corporate Affairs under section 133 of the Companies Act, 2013, in conjunction with the Companies (Indian Accounting Standards) Rules, as amended, and in accordance with Schedule III of the Companies Act, 2013, where applicable. The statement of cash flows which has been prepared and presented as per the requirements of Ind AS 7 "Statement of Cash Flows".

Effective 01st April 2023 the Company has applied the following amendments to existing standards which has been notified by the Ministry of Corporate Affairs ("MCA"):

i. Ind AS 1, Presentation of Financial Statements:

Effective for annual periods starting on or after 1st April 2023, Ind AS 1 has been amended to replace the requirement for entities to disclose their 'significant accounting policies' with a requirement to disclose 'material accounting policy information'. The explicit requirement to disclose measurement bases has also been removed.

ii. Ind AS 8, Accounting policies, Change in Accounting Estimates and Errors:

The company has adopted the amendments to Ind AS 8 for the first time in current year. The amendments replace the definition of a change in accounting estimates with a definition of accounting estimates. Under the new definition, accounting estimates are "monetary amounts in financial statements that are subject to measurement uncertainty".

iii. Ind AS 12, Income Taxes:

The amendment has narrowed the scope of the Initial Recognition Exemption (IRE) (with regard to leases and decommissioning obligations). Now IRE does not apply to transactions that give rise to equal and offsetting temporary differences. Accordingly, companies will need to recognise a deferred tax asset and a deferred tax liability for temporary differences arising on transactions such as initial recognition of a lease and a decommissioning provision.

The amendments listed above did not have any impact on the amounts recognized in current period

2.2 Basis of preparation

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time) and other accounting principles generally accepted in India and presentation requirements of Division II of Schedule III to the Companies Act, 2013, (Ind AS compliant Schedule III).

The financial statements were authorised for issue by the Company's Board of Directors on May 28, 2024.

CIN - U65990WB2018PLC224460

Notes to Financial Statements as at and for the year ended March 31, 2024

The financial statements have been prepared on a historical cost basis except certain financial assets and liabilities which are measured at Fair Value as required by the relevant Indian Accounting Standards

The financial statements are presented in INR and all values are rounded to the nearest lacs (in two decimals), except when otherwise indicated.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

2.3 Summary of Material Accounting Policies

a. Fair value measurement

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- > In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- ➤ Level 1 Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- ➤ Level 2 Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- ➤ Level 3 Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as Unquoted Preference Shares. Involvement of external valuers is decided upon annually by the Management. The Management decides, after discussions with the Company's external valuers, which valuation techniques and inputs to use for each case.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be remeasured or re-assessed as per the Company's accounting policies. For this analysis, the

CIN - U65990WB2018PLC224460

Notes to Financial Statements as at and for the year ended March 31, 2024

Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The Management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

b. Revenue Recognition

With respect to sale of services, Professional and Portfolio Management & Custody fees are recognized as and when the services are rendered to the customers and when there is reasonable certainty of its ultimate realization/ collection.

The Company recognises revenue only when it is probable that it will collect the consideration to which it will be entitled in exchange for the goods or services that will be transferred to the customer.

c. Income Taxes

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Deferred tax is recognised on temporary differences between the tax bases and accounting bases of assets and liabilities at the tax rates and laws that have been enacted or substantively enacted at the Balance Sheet date.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on either the same taxable entity or different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

For items recognised in OCI or equity, deferred / current tax is also recognised in OCI or equity.

d. Property, plant and equipment and depreciation

Property, Plant and equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing

CIN - U65990WB2018PLC224460

Notes to Financial Statements as at and for the year ended March 31, 2024

the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in statement of profit and loss.

Depreciation is calculated on a Written Down Value (WDV) basis over the estimated useful lives of the assets as follows:

| Particulars | Useful Economic Life |
|----------------------|----------------------|
| Computers | 3 years |
| Furniture & Fixtures | 10 years |
| Office equipment | 5 years |

The Company depreciates the cost of Property, plant and equipment less their estimated residual values over estimated useful lives which are as per the useful life prescribed in Schedule II to the Companies Act, 2013 except Plant & Equipment which is lower than those indicated in Schedule II i.e. 5-15 years. The management believes that these useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used.

Depreciation method, useful lives and residual values are reviewed at each financial year end and adjusted if appropriate. Based on the technical evaluation, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets.

Depreciation on additions (disposals) is provided on a pro-rate basis i.e. from (upto) the date on which asset is ready for use (disposed of).

e. Provisions

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as a finance cost. Expected future operating losses are not provided for.

f. Employee benefits

Short term employee benefits

Short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid if the Company has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the amount of obligation can be estimated reliably.

Post-retirement benefits

Post-retirement benefits to employee can either be through Defined Contribution Plan or Defined Benefit Plan.

Defined Contribution Plan

Retirement benefit in the form of provident fund and ESI is a defined contribution scheme. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme and ESI as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the

CIN - U65990WB2018PLC224460

Notes to Financial Statements as at and for the year ended March 31, 2024

contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre-payment will lead to, for example, a reduction in future payment or a cash refund.

Defined Benefit Plan

The Company operates a defined benefit gratuity plan in India, which requires contributions to be made to a separately administered fund.

The calculation of defined benefit obligation is performed annually by a qualified actuary using the projected unit credit method.

Remeasurements of the net defined benefit liability, which comprise actuarial gains and losses, the return on plan assets (excluding interest) and the effect of the asset ceiling (if any, excluding interest), are recognised in OCI. The Company determines the net interest expense (income) on the net defined benefit liability (asset) for the period by applying the discount rate used to measure the defined benefit obligation at the beginning of the annual period to the then-net defined benefit liability (asset), taking into account any changes in the net defined benefit liability (asset) during the period as a result of contributions and benefit payments. Net interest expense and other expenses related to defined benefit plans are recognised in the statement of profit and loss.

g. Financial instruments

Recognition and Initial measurement

Trade receivables and debt securities issued are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.

Classification and Subsequent measurement

On initial recognition, a financial asset is classified as measured at amortised cost; Fair value through other comprehensive income (FVOCI) – equity investment; or FVTPL. Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

On initial recognition of an equity investment that is not held for trading, the Company may irrevocably elect to present subsequent changes in the investment's fair value in OCI (designated as FVOCI – equity investment). This election is made on an investment by investment basis.

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL. This includes all derivative financial assets. On initial recognition, the Company may irrevocably designate a financial asset that otherwise meets the requirements to be measured at amortised cost or at FVOCI as at FVTPL if doing so eliminates or significantly reduces an accounting mismatch that would otherwise arise.

The subsequent measurement of gains and losses of various categories of financial instruments are as follows: (i) Financial assets at amortised cost: these assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

(ii) Equity investments at FVOCI: these assets are subsequently measured at fair value. Dividends are recognised as income in profit or loss unless the dividend clearly represents a recovery of part of the cost of the investment. Other net gains and losses are recognised in OCI and are not reclassified to profit or loss.

CIN - U65990WB2018PLC224460

Notes to Financial Statements as at and for the year ended March 31, 2024

(iii) Financial assets at FVTPL: these assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held- for- trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and Losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

Impairment

The Company recognizes loss allowance using the expected credit losses (ECL) model for the financial assets which are not fair valued through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in profit or loss.

h. Cash and cash equivalents

Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, that are readily convertible to a known amount of cash and subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

i. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss attributable to equity holders of the Company (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period.

Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders of the Company and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

j. Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

CIN - U65990WB2018PLC224460

Notes to Financial Statements as at and for the year ended March 31, 2024

k. Segment Reporting

The Company is engaged mainly in the business of portfolio management services. These, in the context of Ind AS -108 on Segment Reporting are considered to constitute one single primary segment. Further, there is no reportable secondary segment i.e. Geographical Segment.

2.4 Standards issued but not effective

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. For the year ended March 31, 2024, MCA has not notified any new standards or amendments to the existing standards applicable to the Company.

2.5 Significant accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

a. Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. See Note 19 and 20 for further disclosures.

b. Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the company. Such changes are reflected in the assumptions when they occur.

c. Claims, Provisions and Contingent Liabilities

The Company has ongoing litigations with various third parties / regulatory authorities. Where an outflow of funds is believed to be probable and a reliable estimate of the outcome of the dispute can be made based on management's assessment of specific circumstances of each dispute and relevant external advice, management provides for its best estimate of the liability. Such accruals are by nature complex and can take number of years to resolve and can involve estimation uncertainty. Information about such litigations is provided in notes to the financial statements

MICROSEC WEALTH MANAGEMENT LIMITED Notes to Financial Statements as at and for the year ended March 31, 2024 The following reflects the income and share data used in the basic and diluted EPS computations: **Particulars** Year ended Year ended March 31, 2024 March 31, 2023 Profit attributable to equity holders of the company (Rs. in Lakhs) 289.76 (28.91) Weighted Average number of Equity shares (Nos) 60,00,000 60,00,000 Basic and Diluted Earnings Per Share (in Rs.) 4.83 (0.48)Note: The company does not have any outstanding equity shares that are dilutive in nature. 22. Gratuity and other post-employment benefit plans Defined contribution plans The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident fund and Employee State Insurance Scheme, which is a defined contribution plan. The company has no obligations other than to make the specified contributions. The contributions are charged to the Statement of Profit and Loss as they accrue. Defined benefit plans The Company has a defined employee benefit plan in the form of gratuity. Liability as on the balance sheet date is provided based on actuarial valuation done by a certified actuary using project unit credit method. The Gratuity plan provides a lump sum payment to vested employees at retirement, disability or termination of employment being an amount based on the respective employee's last drawn salary and the number of years of employment with the Company. The defined benefit plan expose the Company to actuarial risks, such as longevity risk, interest rate risk and market (investment) risk. The following tables summarise the components of net benefit expense recognised in the statement of profit or loss and the funded status and amounts recognised in the balance sheet for the respective plans: Net employee benefits expense recognized in the employee cost. | Beyond 10 years | 0.38 | 0.44 |
| Total expected payments | 18.30 | 22.13 |
| Total expected payments | 18.94 | 22.81 |

Discount rate: The discount rate is based on the 5 years government bond yields as at the balance sheet date for the estimated term of the obligations.

Salary escalation rate: The estimates of future salary increases considered taking into account the inflation, seniority, promotion and other relevant factors.

The weighted average duration of the defined benefit obligation as at March 31, 2024 is 20 years (March 31, 2023 is 19 years).

Description of risk exposure:

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory frame work which may vary over time. Thus, the Company is exposed to various risks in providing the above gratuity benefit which are as follows:

Interest rate risk:

The plan exposes the company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefits and will thus result in an increase in the value of the liability (as shown in financial statements).

Liquidity risk:

This is the risk that the Company is not able to meet the short-term gratuity pay outs. This may arise due to non-availability of enough cash/cash equivalent to meet the liabilities or holding illiquid assets not being sold in time.

Salary escalation risk:

The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Regulatory risk:

Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts.

Asset liability mismatching or market risk:

The duration of the liability is longer compared to duration of assets, exposing the Company to market risk for volatilities/fall in interest rate.

Investment risk:

The probability or likelihood of occurrence of losses relating to the expected return on any particular investment.

Terms and conditions of transactions with related parties

The transaction from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances at the year-end are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables except as disclosed above.

24. Contingent Liabilities

The Company does not have any contingent liability which would impact its financial position as on March 31, 2024 (March 31, 2023: NIL)

25. Segment reporting

The Company operates in only one business segment and its operations are confined to one geographic segment i.e. India. Accordingly there are no separate reportable segments under Ind AS - 108 - Operating Segments.

Notes to Financial Statements as at and for the year ended March 31, 2024

26. Fair values measurement

Set out below, is a comparison by class of the carrying amounts and fair value of the Company financial instruments, other than those with carrying amounts that are reasonable approximations of fair values:

(Rs. In Lakhs)

| Particulars | Carryin | g Value | Fair V | alue (RS. III Lakns) |
|---|-------------------------|-------------------------|-------------------------|-------------------------|
| | As at March 31, 2024 | As at March 31, 2023 | As at March 31, 2024 | As at March 31, 2023 |
| (i) Financial Assets | | | | |
| a) Measured at Fair Value through Profit & Loss (FVTPL) | | | | |
| - Investment in Unquoted Mutual Funds | 1,102.21 | 776.18 | 1,102.21 | 776.18 |
| b) Measured at Amortised Cost | | | | |
| - Cash and cash equivalents | 63.27 | 58.45 | 63.27 | 58.45 |
| - Other Financial Assets | 0.52 | 0.52 | 0.52 | 0.52 |
| Total Financial Assets | 1,166.00 | 835.15 | 1,166.00 | 835.15 |
| (ii) Financial Liabilities | | | | |
| a) Measured at Amortised Cost | | | | |
| - Trade payables | 43.94 | 48.78 | 43.94 | 48.78 |
| - Other Financial Liabilities | 5.45 | 4.72 | 5.45 | 4.72 |
| Total Financial Liabilities | 49.39 | 53.50 | 49.39 | 53.50 |

The management assessed that cash and cash equivalents, trade payables and other current liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

26.1. Valuation principles

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction in the principal (or most advantageous) market at the measurement date under current market conditions (i.e., an exit price), regardless of whether that price is directly observable or estimated using a valuation technique. In order to show how fair values have been derived, financial instruments are classified based on a hierarchy of valuation techniques, as explained in Note 27.1.

27. Fair Value Hierarchy of assets and liabilities

I. The carrying amount and fair value measurement hierarchy for assets and liabilities as at March 31, 2024 is as follows:

(Rs. In Lakhs)

| Particulars | Fair Value through Profit & Loss Accounts | | | | |
|-------------------------------------|---|-----------|-----------|----------|--|
| | Level - 1 | Level - 2 | Level - 3 | Total | |
| Investment in Unquoted Mutual Funds | 1,102.21 | | | 1,102.21 | |
| Total | 1,102.21 | - | | 1,102.21 | |

II. The carrying amount and fair value measurement hierarchy for assets and liabilities as at March 31, 2023 is as follows:

| Assets | | | | (Rs. In Lakhs) | |
|-------------------------------------|---|-----------|------------------|----------------|--|
| Particulars | Fair Value through Profit & Loss Accounts | | | | |
| | Level - 1 | Level - 2 | Level - 3 | Total | |
| Investment in Unquoted Mutual Funds | 776.18 | ē | (*) | 776.18 | |
| Total | 776 10 | | 30 | 776.40 | |

27.1. Valuation technique used

For Investment in Unquoted Mutual Fund & Equity Instruments

The majority of equity instruments are actively traded on public stock exchanges with readily available active prices on a regular basis. Such instruments are classified as Level 1. Units held in funds are measured based on their published net asset value (NAV), taking into account redemption and/or other restrictions. Such instruments are generally Level 1. Equity instruments in non-listed entities included investment in private equity funds are initially recognised at transaction price and re-measured (to the extent information is available) and valued on a case-by-case and classified as Level 3.

28. Risk Management and financial objectives:

The Company's financial liabilities comprise trade payables and other payables. The main purpose of these financial liabilities is to finance the Company's operation. The Company's financial assets include investments & other receivables and cash & cash equivalents. The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management has the overall responsibility for establishing and governing the Company's financial risk management framework and developing and monitoring the Company's financial risk management policies. The Company's financial risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate controls.

28.1. Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three type of risk i.e. currency risk, interest rate risk and other price risk such as commodity price risk and equity price risk. Financial instruments affected by market risk include trade payable, trade receivables etc. Currency risk is not applicable to the Company it is not involved in substantial foreign currency transactions. Interest Rate risk is not applicable to the Company as there is no borrowing at variable rates.

Notes to Financial Statements as at and for the year ended March 31, 2024

The Company's investement in mutual funds are susceptible to market price risk arising from uncertainties about future values of the investment securities. The Company manages the equity price risk through diversification and by placing limits on individual and total instruments. Reports on the portfolio are submitted to the Company's senior management on a regular basis. The Company's Board of Directors reviews and approves all investment decisions.

Price sensitivity analysis

Following table provides the sensitivity impact to a 1% appreciation/decline in NAV of mutual fund and readily available price of listed equities investments as at

49.39

| | As at March 31, | As at March 31, |
|---------------------------------------|-----------------|-----------------|
| Particulars | 2024 | 2023 |
| | Gain / (Loss) | Gain / (Loss) |
| NAV of mutual funds appreciates by 1% | 11.02 | 7.76 |
| NAV of mutual funds declines by 1% | (11.02) | (7.76) |

28.2. Credit Risk

Credit risk is the risk that counterparty will not meet its obligations resulting in financial loss to the Company. Credit risk arises primarily from financial assets such as trade receivables, bank balances, loans, investments and other financial assets. At each reporting date, the Company measures loss allowance for certain class of financial assets based on historical trend, industry practices and the business environment in which the Company operates.

Credit risk with respect to trade receivable is not applicable as there is no outstanding trade receivables. Credit risk arising from investments, financial instruments and balances with banks is limited because the counterparties are banks and recognised financial institutions with high credit worthiness.

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due. Management monitors rolling forecasts of the Company's liquidity position and cash and cash equivalents on the basis of expected cash flows. The Company takes into account the liquidity of the market in which the entity operates.

Maturities Analysis of Financial Assets and Financial Liabilities:

The table below analyzes the Company's Financial Assets and Financial Liabilities into relevant maturity groupings based on their contractual maturities.

| As at March 31, 2024 (Rs. In Lakhs | | | | | |
